Can you find these words?

Advice	Groundwater	Slough
Bicycle	Lightning	Spilling
Careful	Patrol	Towpath
Cloud	River	Washing
Frosty	Sea	Waterfall

WATER SAFETY SIGNS

There are three main types of water safety signs you will find when you are around water. Can you match the type of sign to the description?

Signs that mean you should do something

Signs that warn you of danger

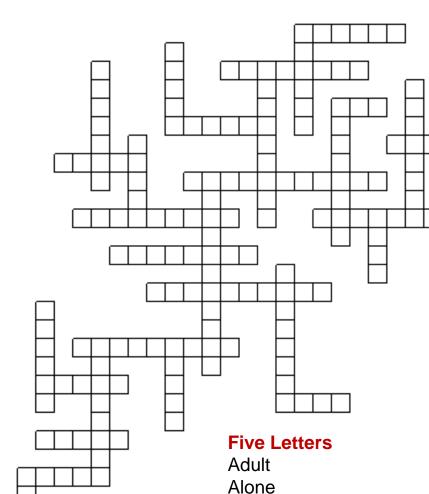

Signs that mean you should not do something

Design some of your own water safety signs.
