### Is it safe?

Ten items are hidden below the surface. They might be lying horizontally or vertically, but they must not appear adjacent squares, even diagonally. The numbers along the side and top of the grid show you how many items can be found in each row or column.

Three items and patch of safe water have been filled in to start you off

## **WAY OUT**

Can you help?

Larry the Lifeguard needs you lead the swimming pool user to the Emergency Exit, can you find your way?
